

Cattle Driven Frantic

A condition we often see during fly time, and it's a bad condition too, for cattle and horses cannot be worried by flies, mosquitoes, etc., without having their vitality lowered. They use up their strength in the battle with the pests and no matter how good the pasture, their food does not seem to nourish them and they lose flesh and energy. If you want your stock to be profitable use

ZENOLIUM FLY DIP

It is easily applied and will not injure the coat and you'll be well paid for the little time expended in applying it for your stock will begin to improve at once. Your cows will give more milk and your horses will be stronger and will do more work. With the first gallon we give a 50c Sprayer FREE.

MARRIAGES

Martin—Whiteman.

Monday evening, at 8 o'clock at St. Thomas' Episcopal church Prof. Geo. Earl Martin and Miss Elsie Fern Whiteman were united in the holy bonds of matrimony by the Rector, Rev. Benjamin F. P. Ivins with Walter Bowell and Ray Massena as servers. The church had been very prettily decorated by Miss Nell Reeve. Following the ceremony a splendidly appointed wedding supper was served at the home of Mr. and Mrs. P. J. Troyer on East Sophia street. The whole affair was very quiet because of the recent death of the bride's father, M. D. L. Whiteman.

The following guests were present: The groom's parents Mr. and Mrs. Samuel F. Martin and his little brother, of Lafayette, Ind.; Miss Dessie Whiteman, of Bremen; Miss Nell Reeve, Mr. and Mrs. P. J. Troyer, and Rev. and Mrs. Ivins.

Mr. Martin is at present at the head of the Civil Engineering Department of the University of Colorado at Colorado Springs, while Miss Whiteman has been employed in the County Surveyor's office the past five years. Miss Whiteman's home was near Bremen, while the groom's home was at Lafayette, Ind. Prof. Martin is a graduate of Purdue university.

The couple will spend about a month in visiting relatives and friends in this part of the country and throughout the east, leaving about the first of September for Colorado Springs, Colorado where they will go to housekeeping at once.

Schlusser—Hill.

Two of the most popular young people of Argos became one last Wednesday eve July 19, at the hour of eight. Miss Jessie W. Schlusser and Mr. Hugh D. Hill were united in marriage at the M. E. parsonage by Rev. G. Hartman Bright, the ring ceremony being used. Mr. Ralph Schlusser, brother of the bride, and Miss Jennie Schaefer acted as best man and lady.

The bride is a daughter of Mrs. Anna Schlusser of this place, is a graduate of the Argos high school and took a special course in a St. Louis business college. She has served in various clerical capacities in Argos and during the past year has been bookkeeper and stenographer for the O. L. Grossman furniture establishment. Her pleasant, affable manner has won for her a wide circle of friends. The groom was born and for the greater part of his life has lived at Silver Lake, though he has been in the great northwest, living for a time in Alberta, Canada. Mr. Hill is a barber by trade and is a member of the firm of Ohler and Hill proprietor of the west side tonorial parlors. He enjoys the friendship of a host of our citizens.

Mr. and Mrs. Hill will be at home in the near future, in the L. N. Schaefer residence on Broadway. The Reflector voices the general sentiment in extending to the happy couple the highest felicitations.—Argos Reflector.

Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified to a size equal to its terrors it would appear more terrible than any fire-breathing dragon. Germs can't be avoided. They are in the air we breathe, the water we drink.

The germ can only prosper when the condition of the system gives it free scope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a hollow eye, when the appetite is poor and the sleep is broken, it is time to guard against the germ. You can fortify the body against all germs by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the stomach and organs of digestion and nutrition in working condition, so that the germ finds no weak or tainted spot in which to breed. "Golden Medical Discovery" contains no alcohol, whisky or habit-forming drugs. All its ingredients printed on its outside wrapper. It is not a secret nostrum but a medicine of known composition and with a record of 40 years of cures. Accept no substitute—there is nothing "just as good." Ask your neighbors.

Filar—Berry.

At the residence of the bride in Evanston, Illinois, Saturday eve, Miss Bessie Filar and James Chester Berry of Argos were united in the bonds of matrimony, Rev. Chas. Unangst of that place performing the ceremony. The wedding was a quiet affair being attended only by the family of the bride and groom. The bride is quite well and favorably known as a hustling and skilled mechanic. Mr. and Mrs. Berry will be at home in the near future on West Church street. Best wishes.—Argos Reflector.

Specials at Eckerts, Linkville.

Specials for next Friday and Saturday, July 27 and 28 at Eckert's store, Linkville: Prunes 10 cents, seeded raisins 9 cents, dried peaches 9 cents, fancy apricots 15 cents, coal oil 7 cents, boys' shoes at \$1.00, men's \$2.50 and \$3.00 shoes at \$2.00, flour \$2.25 per hundred. w3
